August 2025

Dear Dairy Industry Friends,

We are looking forward to getting together at our Annual Conference and Trade Show **December 2-3, 2025**, at the Wenatchee Convention Center, Wenatchee, WA. Our dairy farmers, associated professionals, exhibitors, and others are very much looking forward to being together to celebrate, discuss, learn, and adapt.

I want to encourage you to do two things:

- 1) Commit early to being a sponsor.
- 2) LEVEL UP from your traditional sponsorship level.

The Sponsorship tiers are listed below:

- **Platinum**
Platinum sponsors will be introduced and given time to talk about their company or services, ample recognition for their sponsorship, company brochure in attendee bags and up to six (6) attendees included for \$5,000.00.
- **Gold**
Gold sponsors will receive ample recognition, their company brochure in attendee bags and up to four (4) attendees included for \$3,500.00.
- **Silver**
Silver sponsors will receive recognition, free 2026 WSDF Associate Membership and up to two (2) attendees.
- **Bronze**
Bronze sponsors receive recognition and one (1) attendee ticket.

Exhibit space is assigned based on sponsorship level and on a first-come/first-served basis. Exhibiting is not required to be a sponsor.

We believe these opportunities will create more connections with our dairy farmers and their associates. It is also a great way to show support for our dairy community.

More information is enclosed about the sponsorships and trade show opportunities and a Sponsor Event Tasks page that includes more information on the hotel registration and exhibitor setup.

Any questions can be answered by Christine Heinitz, our office manager: 360-482-3485 or 253-225-5440 cell.

Sincerely,

Dan Wood
Executive Director
